The future earnings of Debtor are submitted to the supervision and control of the Trustee. Debtor shall pay the Trustee the sum of **\$960.53 per month for twelve (12) months, then \$1,054.00 per month until the end of the plan**, for a period not to exceed sixty months. Debtor shall commence payments within thirty days of the Petition Date, and distributions shall begin upon confirmation pursuant to § 1326(a). The effective date of the Plan shall be the date of entry of an order confirming the Plan.

From the payments so received, the Trustee shall make disbursements, subject to the Trustee's fee. The disbursement schedule is dependent upon receipt of regular monthly Plan payments. Any increases to monthly mortgage or escrow payments without corresponding changes to the Plan payment may impact the disbursement schedule. The Trustee has the discretion to calculate the amount and timing of distributions as is administratively efficient.

**A(2). Pre-Confirmation Adequate Protection Payments/Lease Payments.**

The following pre-confirmation adequate protection payments on claims secured by personal property and pre-confirmation lease payments for leases of personal property shall be paid by the Trustee, subject to his full fees, to the creditors listed below. Except as provided by § 501(c), secured creditors must file a proof of claim to receive payment. Unless otherwise ordered by the Court, these payments will be retained by the Trustee until confirmation and distributed after confirmation. If the case is dismissed or converted prior to confirmation, the Trustee will distribute the retained payments, pro rata, based on the adequate protection payment amounts.
